

JOIN A MOCPA CHAPTER TASKFORCE

By engaging in a Chapter task force, you can help shape the programming MOCPA offers in each region. Task forces meet periodically throughout the year depending on the number of scheduled events. Consider joining one of the St. Louis Chapter task forces:

- COMMUNITY OUTREACH:** Provides an outlet for chapter members to give back and become engaged in their local community. Activities have included volunteering with local causes such as area food banks, Ronald McDonald House, KidSmart, Junior Achievement BizTown, Nurses for Newborns, Salvation Army's Angel Tree, Happy Bottoms, Wayside Waifs, and Stray Rescue of St. Louis.
 - PROFESSIONAL OUTREACH:** Helps members connect and expand their network, as well as engages accounting students and those entering the profession. Activities have included hosting programs such as Tuesday Talks with CPAs and Students, Meet the Firms; informing students about career opportunities in the accounting profession (e.g., serve on panels, speak to accounting clubs, Beta Alpha Psi, and high schools); welcoming and inviting new student members to attend chapter events and recent CPA exam passers to the Awards Celebrations.
 - PROFESSIONAL NETWORKING:** Plans networking events and short professional development courses on current accounting issues. Activities have included hosting networking events and social hours with other professional organizations, trivia and game nights, Top Golf outing, and pickleball.
- Yes, I'm interested in getting involved!
